THE BEST IMPRESSIONS IN THE RIGHT CONTEXT

Don't worry about making a bad impression this Valentine's Day. We've built the infrastructure to ensure our clients' mobile ads capture the attention of consumers in the places that matter most. No black box. No open-market fills. By partnering with MOBKOI, you get what you pay for: Top quality ads in premium environments.

CREATIVE INSPIRATION TO WIN THE HEARTS OF YOUR TARGET CUSTOMERS

Our team of creative wizards will design a brilliant mobile-first ad experience tailored to your campaign goals. From talking ads to swipe to reveal and engrave units, the following are top recommended creative types for a sweet and successful Valentine's Day campaign.

TOP INNOVATIVE CREATIVE UNITS TO DRIVE AWARENESS:

GAMIFICATION

Charm your audience with scratch off, puzzle or hidden object games incorporating hearts, candy or gifts.

ADTALK

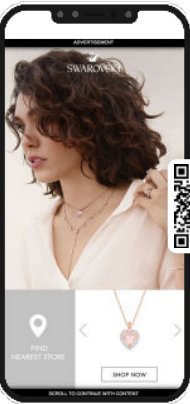

Guide users to the perfect gift for their loved ones with interactive, live chat functionality.

ENGRAVEMENT

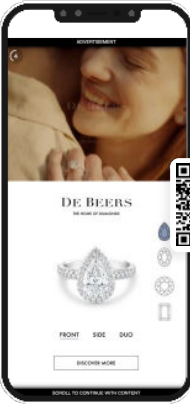

Personalize the experience by allowing users to view their own engraving on product shots within your ad.

TOP CREATIVES THAT SUPPORT ECOMMERCE AND INCREASE CONSIDERATION:

DRIVE TO BOUTIQUE

Make it easy for ad viewers to find your nearest brick & mortar location with a store locator feature.

CONFIGURATOR

Help shoppers build the perfect gift for that special someone with this interactive unit (ideal for Jewellery brands).

REACTIVE SCROLL

Enchant users with a Valentine's Day-themed overlay feature that reacts to the motion of their scroll.

INLINE SHOPPABLE

Support your e-commerce goals with units designed to provide an easy shoppable experience.

BEST-IN-CLASS CAMPAIGNS THAT DELIVER RESULTS

Our customer success team and campaign managers will work tirelessly to ensure your campaign gets the special care it deserves. Count on total brand safety and optimal performance for your Valentine's Day ads.
